

## Spirits, Liqueurs and Cocktail List

### Gin

A clear grain spirit traditionally flavoured with juniper berries, but now has a range of flavours limited only by the imagination.

- **Four Pillars Navy**      **Yarra Valley**      **\$15**  
Strong at 58.8%, traditional style
- **Applewood**      **Adelaide Hills**      **\$15**  
Traditional style made in Gumeracha
- **Seed**      **Clare Valley**      **\$15**  
Locally made with regional ingredients
- **Four Pillars Shiraz**      **Yarra Valley**      **\$12**  
Finished in shiraz casks giving flavor and 'bloody' colour
- **Tanqueray**      **England**      **\$12**  
Classic Gin ideal for Martini and dry mixers
- **Monkey 47**      **Germany**      **\$12**  
Traditional juniper and citrus style
- **Hendricks**      **England**      **\$10**  
Classic style served with cucumber
- **Hippocampus**      **Western Australia**      **\$10**  
Raspberry flavoured
- **Bombay Sapphire**      **England**      **\$8**  
Classic Gin with tonic
- **Beefeater**      **England**      **\$7**  
Standard gin for tonic and mixers

### Vodka

White clean grain spirit originating from Russia but now made globally.

- **Penobscot Infusions**      **Watervale**      **\$15**  
Flavours change. Pomegranate in the skull!
- **Grey Goose**      **France**      **\$12**  
Triple distilled pure vodka
- **42 Below**      **New Zealand**      **\$10**  
You can't get purer and cleaner than this.
- **Absolut**      **Sweden**      **\$10**  
Pure, Citron, Raspberri, Pears, Vanilla, Lime
- **Stolichnaya**      **Russia**      **\$8**  
Ask Warrick the story!

## British Whisky

Scotch and Irish Whisky is made from un-malted or malted barley, and are either single malt, a blend of malts or malts and grains, or simply grain. Malts from different stills have different characteristics and the use of peat for drying in some malts are very distinctive. Whisky is often finished in Bourbon or more traditionally sherry casks for complexity and sweetness.

- **Redbreast**                      **Ireland**                      **\$20**  
Single batch Malt whisky
- **Aberlour**                      **Scotland**                      **\$15**  
Speyside malt using sherry casks
- **Talisker**                      **Scotland**                      **\$15**  
Peaty malt from the Isle of Skye
- **Lagavulin**                      **Scotland**                      **\$15**  
Very peaty malt from Ilsa
- **Chivas Regal**                      **Scotland**                      **\$12**  
A soft blend of malt whisky's
- **Johnnie Walker Black**      **Scotland**                      **\$12**  
A complex blend of over 40 malt whisky's
- **Johnnie Walker Red**      **Scotland**                      **\$10**  
More robust blend of malt and grain whisky
- **Dewars**                      **Scotland**                      **\$8**  
Toasty blend of malt and grain whisky
- **Jamison**                      **Ireland**                      **\$8**  
Light and smooth from use of un-malted grain.
- **MacAllister**                      **Scotland**                      **\$6.50**  
Soft blend of lowland malt and grain whisky

## American Whiskey

American Whiskey is made from combinations of barley, rye, and corn so tends to be sweeter and softer than Scotch. Different proportions of each grain and how the spirit is finished in barrel will determine styles. Bourbon is from Kentucky and is generally sweeter than Tennessee Whiskey.

- **Bookers**                      **Kentucky**                      **\$15**  
Uncut, unfiltered, barrel strength
- **Woodford Reserve**      **Kentucky**                      **\$12**  
Powerful sweetness and spice
- **Four Roses**                      **Kentucky**                      **\$12**  
Rye dominant single barrel Bourbon
- **George Dickel No 12**      **Tennessee**                      **\$12**  
Reserve, aged, rye dominant
- **Jack Daniels**                      **Tennessee**                      **\$10**  
Tennessee Whiskey
- **Jim Beam Bourbon**      **Kentucky**                      **\$8**  
Quintessential bourbon
- **Canadian Club**                      **Canada**                      **\$7**  
Soft and sweet Canadian whiskey

## Amaro

Amaro, Italian for "bitter", is a herbal liqueur that is commonly consumed as an after-dinner digestif.

- **Fernet Branca**                      **Italy**                                      **\$12**  
Grappa based digestif using Mediterranean and Middle Eastern spices including saffron.
- **Amaro Montenegro**                      **Italy**                                      **\$10**  
Amber spirit mixes sarsaparilla-like herbal notes and honey sweetness with bitter edge
- **Okar Amaro**                                      **Adelaide Hills**                                      **\$10**  
Australian native botanicals including riberries, Davidson plumbs and strawberry gum leaves.
- **Bitter Orange**                                      **Adelaide Hills**                                      **\$10**  
Herbal, floral aroma with bright Riverland orange. Bitter, fresh and citrus driven.
- **Campari**                                      **Italy**                                      **\$8**  
The quintessential and best known amaro, perfect in cocktails, on ice or as a spritz.
- **Pimms**                                      **England**                                      **\$8**  
Gin based liqueur but reminiscent of amaro. Mix with lemonade or ginger ale to make a Pimm's Cup.

## Rum

Rum is made from sugar cane. Originating in the Caribbean, but made famous in Queensland?

- **Pacto Navio**                                      **Cuba**                                      **\$18**  
Finished in Sauterne casks.
- **Kraken**                                      **Trinidad**                                      **\$12**  
Black intense exotic spiced rum.
- **Captain Morgan**                                      **Caribbean**                                      **\$10**  
Lighter style golden spiced rum
- **Bundaberg**                                      **Queensland**                                      **\$7**  
Powerful Australian Dark Rum
- **Bacardi**                                      **Bermuda**                                      **\$7**  
Classic white Rum.

## Tequila

Made from Agave Cactus.

- **Patron Anejo**                                      **Mexico**                                      **\$15**  
Reserve grade aged sipping tequila
- **Don Juan Escobar**                                      **Mexico**                                      **\$12**  
Famous 'worm' tequila
- **Sierra**                                      **Mexico**                                      **\$10**  
Light tequila

## Brandy

Dark spirit made from wine grapes.

- **Armagnac Lamaestre**                                      **France**                                      **\$20**  
Classic 1979 vintage Armagnac
- **Martell Cognac**                                      **France**                                      **\$8**  
Another that keeps finding its way to the kitchen
- **Black Bottle**                                      **Australia**                                      **\$7**  
Classic Australian Brandy

## Liqueurs

Liqueur is a broad category definition to describe a spirit infused with flavor. They are often lower in alcohol than spirits, with higher strength liqueurs being more expensive.

### Chocolate and Coffee Liqueurs

Very often combined with nut-based liqueurs, used in espresso martini, and can be added to coffee.

- **Avion Espresso**                      **Mexico**                      **\$10**  
Rich coffee, Tequila based
- **Mozart**                                      **Austria**                      **\$8**  
Dark chocolate, rich.
- **Kahlua**                                      **Mexico**                      **\$8**  
Rum based, coffee flavoured liqueur with a hint of crème
- **Bailey's Irish Crème**      **Ireland**                      **\$7**  
Irish whiskey, cocoa, and cream.

### Vanilla and Caramel Liqueurs

Many liqueurs have caramel or vanilla within their mix of flavours, but these are pre-dominantly so.

- **Galliano**                                      **Italy**                                      **\$10**  
Intense but mellow liqueur dominated by vanilla. Strong at 43%.
- **Liquor 43**                                      **Spain**                                      **\$10**  
Vanilla, Caramel, Citrus, Quite sweet

### Fruity, Melon and Berry Liqueurs

Fruit driven liqueur styles, as different to each other as the fruits that define them.

- **Marie Brizard**                      **France**                      **\$8**  
Maraschino Cherry, brandy base.
- **Chambord**                                      **France**                      **\$8**  
Raspberry flavoured liqueur.
- **Southern Comfort**      **USA**                      **\$8**  
Apricot notes, cherry, orange, vanilla
- **Midori**                                      **Japan**                      **\$8**  
Sweet green melon liqueur.

### Citrus Liqueurs

Citrus is found in most liqueurs. These are classic citrus based classics.

- **Cointreau**                                      **France**                      **\$10**  
Clear triple sec with more sharpness and aromaticity.
- **Grand Marnier**                      **France**                      **\$10**  
Orange flavoured cognac-based liqueur.
- **Penobscot Lemoncello**      **Watervale**                      **\$10**  
Lemon liqueur. Our version is infusion with peel. Not sweet.
- **Triple Sec**                                      **France**                      **\$8**  
Dry, clear orange liqueur
- **Blue Curacao**                      **France**                      **\$8**  
A sweet version of triple sec designed to make blue cocktails

## Herbal Liqueurs

Herbal liqueurs are often drunk as shots, but they also provide sugar and spice to cocktails.

- **Pernod Absinthe**      **France**      **\$15**  
An anise-flavoured spirit derived from botanicals, Artemisia absinthium, green anise, sweet fennel, and other medicinal herbs.
- **Agwa**      **Bolivia**      **\$10**  
Flavoured with Bolivian Coca leaves, Ginseng and Guarana amongst other herbs.
- **Galliano Sambucca**      **Italy**      **\$10**  
Black aniseed liqueur An old favourite for shooting.
- **Benedictine**      **France**      **\$8**  
Derived from a recipe developed by Benedictine monks.
- **Jägermeister**      **Germany**      **\$8**  
A strong brown herbal liqueur flavoured with 56 spices.

## Nut Liqueurs

Very often combined with coffee or chocolate liqueurs, and can be added to coffee as a shot.

- **Disarrono**      **Italy**      **\$10**  
An amaretto or almond liqueur made by soaking herbs and spices in almond oil.
- **Frangelico**      **Italy**      **\$8**  
A noisette, or sweet liqueur flavoured with hazelnuts.
- **Malibu**      **Caribbean**      **\$6**  
Rum based coconut liqueur

## Cocktail List

### Classic stirred short cocktails

Combination of spirits or liqueurs stirred in a short glass full of small ice cubes made from filtered water.
