

Feast Menus

The Watervale Hotel Feast Menus are designed for groups of diners as shared plates, and are ideal for special occasions. We offer these menus to all groups of six people and over, and we strongly recommend them for groups of ten or more.

For Feast Bookings email taste@watervalehotel.com.au or call Warrick on 0404-871870.

We suggest that smaller group feasts (six to ten) book one of our private dining rooms. For groups from 10 to 22 we recommend our Hell Hole private dining space. Larger groups can be seated outside in the beer garden and undercover. We can seat up to 96 under cover, and have heaters and fans in this undercover area.

Feast Menus are ideal for groups including children. It takes the stress out of choosing for Children – they simply eat what they want from the shared plates, and you can be rest assured that they are eating healthy, nutritious, tasty food. For children 5 - 12 we charge half price. Alternatively, you can order the Kids Feast menu for children and the Feast for adults.

Whilst we do not have set wine matches by the glass for Feasts, we can certainly suggest wines that will be a good match for your plates.

We can be flexible with our Feast Menus in several ways.

- We can serve an entrée as a stand-up canape.
- We can substitute dishes based on group preference. Most common substitutions are listed below.
- We can provide individuals with dietary issues, allergies or intolerances with their own individual plated dish or dishes when provided notice.
- We can separate and stretch out the courses over time. This provides the opportunity for more wine matches if that option is requested.
- We can add courses at agreed extra charge.
- We can offer a cake cutting service instead of the bowl of sorbet offered as dessert.

There are four Feast Menus – the Farm Feast at \$50 / head, Tailored three-course Feast and the Gourmet Feast at \$120 / head are shared plate set menus. We also offer a Kids Feast at \$25 / head. Beverages are charged on consumption on top of the feast charge.
